Manager's Corner

Malinda Brown, Community Manager

Happy November! The month of giving THANKS! Being from up north, I never really liked Fall or got to enjoy it. For me, it was the precursor to frigid temps, dreary sunless days, 6 months of snotty noses, layers of clothing and being stuck inside, Now, I finally enjoy it! For us, it means the oven turns off, we get cooler weather and nice breezes. I just miss the changing of the colors. So, I hope you enjoy it this month as much as I do.

Welcome back snowbirds! Not all of you have come back yet, and some will not be here this year. We miss those and send prayers that all is well for you. But the ones who have returned, we welcome you and are so happy to see your face again! We also have quite a few new residents, so I can't wait to see you all, meet one another and add new friends to your list.

I want to mention a few important things as reminders. The expectation of our annual 360 Inspections are standards that count every day of the year. Keeping your yards mowed, and weeded, houses and driveways power washed and clear of unwanted items, having no fading paint, missing gutters or awnings is expected all throughout the year. We are noticing that some of these things are being forgotten about. Remember that any planting outside of the flowerbed around your home needs approval on a Home Improvement form before adding them to your lot. Remember, less is more, and items becoming projectiles during a hurricane is the last thing we want. Simple, aesthetically pleasing and in alignment with the rest of the community is all we ask. You will find this information on Page #4 of the Prospectus and #20 of our Rules and Regulations.

If your driveway does not fit the vehicles you own, we have RV storage compound spots available to rent. Our parking spots at the clubhouse are designated for clubhouse and pool visitors. This is not extra parking for residents. If you have guests, they can park there while visiting you. Please do not park your vehicles or golf carts in other residents' driveways without permission. Please do not park or drive Golf Carts on the grass. See Rule #5 in our Rules and Regulations.

Have Guests or occupants? See Rules #1, #2, and #14. If you have a guest visit, please have them come to the office and sign our guest book. Please ensure that they know all the rules we abide by. Accompany them when visiting our facilities. Any guest that stays longer than 2 weeks needs to be approved by the park as an official occupant, otherwise you will be subject to a violation of having an unauthorized occupant staying in your home. We have applications in our office, and the fee is $25 per occupant. My admin or I would be happy to walk you thru the process. These rules keep our community safe and keep unwanted people out.

I have my new Admin, Jody, auditing all your account folders. You may get a call asking for a copy of your driver's license, registration or a vet record for your pet. She may ask you to add an emergency contact person. If you haven't met her yet, it will give you a chance to come by and say hi. She is very friendly, has a great personality and is looking forward to meeting all of you. We are so glad she's joined our team.

Please read over the Hurricane Prep packet that we recently delivered. Make certain all things are secure if we get the warning. Please be prepared and knowledgeable before a hurricane comes our way. We pray this year goes by without one. I hope you enjoy your November, cooler weather and give thanks for living or having a 2nd home in paradise.

Paradise

Diane Montague Birchett

It was a heavenly afternoon. The sky had become overcast, but I didn't care. I headed to our community pool where there was, get this, no one. Absolutely no one. It was blissful. The water couldn't have been more perfect, and I swam, exercised and floated. I went in the jacuzzi and came back in the pool and did it all over again. The sun peeked out with blue skies appearing until the entire sky was beautifully blue and sunny. I became lost in the clouds as I was floating on my back, and I talked to God. And... there really is something about being in the water and seeing palm trees silhouetted against that blue sky. I understand what others here say about being in paradise. Being in that water gazing up at that palm tree with a blue sky behind it, I thought to myself, yes, this *is* paradise and I could not be more grateful to be here in this moment in time.

Let the Holiday Events Begin

Smile, it's November! Time for cozy socks and calm thoughts.

After a very long dry & hot summer, many of us are gladly welcoming the cooler, wetter weather. This is the time of year when many of our seasonal community members return and the activities expand. This month we are thrilled to share all the plans for the upcoming holidays.

Upcoming November Activities

Tues, Nov. 3 @ 6:30PM: Social Club Meeting. First Meet & Greet, then Meeting @ 7PM. Please join us for dessert, meet new people and learn about all the upcoming Social Club events. Dues are just $12 per person for the year.

Sat. Nov. 7 @ 9AM: Veteran's Day Breakfast: Veterans are free, all others $5 donation. Sign-up sheet in the Clubhouse by November 3. Volunteers are needed to cook, serve, clean up and place flags at veteran homes.

Thurs. Nov. 12 @ 1PM: Ladies Luncheon: Rosa Mexicana Restaurant in Eustis at 1:00pm. You can sign up on Facebook or see Sue Furry to attend. All ladies are welcome to attend and carpooling is encouraged.

Thurs. Nov. 19 @ 6:30PM: Make Your Own Christmas Tree Ornament Party. Community members are invited to come to the Clubhouse to make their own ornament for the community tree. Supplies will be provided. Please bring a snack or dessert to share with all.

Nov. 1 – Nov. 21: Canned Food Drive. Watch for information regarding where to place canned food and dry goods (non-perishable, non-expired and no pet food) in the clubhouse. We are doing the food drive and toy drive at separate times this year due to storage challenges.

There are no plans for a formal Thanksgiving Dinner. Community members are welcome to plan something. If you wish to reserve the clubhouse for that day, you must see Malinda to reserve the Clubhouse.

Sat. Nov. 28: Decorating the Clubhouse. Watch for more information on time to help decorate the new Christmas tree and more.

Upcoming December Events

Tues. Dec. 1 @ 6:30PM: Social Club Meeting. First Meet & Greet, then Meeting @ 7:00PM. Please join us for dessert, meet new people and learn about all the upcoming Social Club events. Dues are just $12 per person for the year.

Wed. Dec. 3 from 10AM to 3PM: The Sally Cannon Toy Drive Collection Day. In the Clubhouse. Bring your unwrapped toys (no clothes, jewelry, or cosmetics) during this time. The **Lake County Ladies Chorus** will be performing at 3:00 p.m. on this same day. Bring your favorite holiday treats to share with the community; coffee, tea and hot chocolate will be provided.

Sat. Dec. 12 @ 5PM: The LST Holiday Dinner. In the Clubhouse. This will be a catered event; **signups will be mandatory.** To make sure we cover costs, we are asking for $5 deposit per person. When you arrive at the event, this money will be returned to you in cash or holiday basket raffle tickets. We have some special surprises planned for this year's event.

Tues. Dec. 1 Holiday Raffle Baskets: We will start collecting donations for Holiday Raffle Baskets December 1. Funds will be used to help cover the cost of the Holiday Dinner. Consider coordinating a group to create a fun holiday gift basket.

Thurs. Dec. 17 @ 6PM: Christmas Caroling. Let's meet in the Clubhouse, sing in the community, eat cookies and drink hot

chocolate. This is always a good time even if it is cold.

Golf Cart Parades

Sun. Dec. 20 starting @ 4:30PM: Christmas Golf Cart Parade. Many community members have expressed an interest in bringing back our community golf cart parades. Starts at the clubhouse. Prizes will be awarded for 1st and 2nd place for the top decorated golf carts as voted by the community.

Birthday Golf Cart Parades

We are changing the age for our special birthday cart celebrations. If you know of community members who are turning 80 or older, inform Carol Heatherington or Karen Keenan. Our community will parade by the person's home to celebrate their special day.

If you are interested in starting a new activity or hosting an event for the community, please contact any Social Club Officer. Volunteers and new ideas make this such a great community.

Nominations for LST Social Club President and Secretary will be February 2027. Please consider becoming a Social Club Officer to ensure our activities and events continue. Talk to Linda Greer or Sue McFadden if you are interested.

Information for all our events can be found in the following places: Social Club Bulletin Board in the Clubhouse, Community Kiosks near mailboxes, Seagull newsletter, and on the Lakeside Terrace Family or LST Social Club Facebook pages. You are also welcome to contact any Social Club officer for more information.

New month, new blessings, same grateful heart. Happy November! May your coffee be strong, your days cozy, and your heart full.

Sandi Jischke went peacefully to be with her Lord at home in Fruitland Park on Aug. 2, 2026. She will be greatly missed by her husband of 28 years, Lance, and by many other relatives. Sandi will also be missed by her neighbors and friends, as she was always visiting or helping anyone who needed assistance in her community. She was a valued member of the United Methodist Church of Lady Lake where she sang in the choir. Interment will be alongside her parents in Livonia, NY. No service is planned currently.

In Memoriam: Lorri Rowe

Abridged. View her full obituary at:
https://www.legacy.com/us/obituaries/352today/name/lorri-rowe-obituary?id=62598670

Lorri Rowe passed away on Sept. 18, 2026, surrounded by her loving family.

She worked as a bookkeeper. After retiring, Lorri moved to FL, where she became an active and beloved member of her community. She helped teach Water Aerobics, served as the treasurer of her Social Club, played Bingo, and bowled. She enjoyed countless game nights with her "peeps" at her home and was a proud member of WTF (Wine Tasting Friends). She truly loved attending concerts.

In recent years, Lorri began exploring her spiritual side and started attending church. She loved the ocean, playing Mah Jongg and other games, and, most of all, being surrounded by her family and friends. Lorri had a wonderful ability to find joy in simple things and created many cherished memories with the people she loved.

Lorri is survived by her children, granddaughters, parents and stepparents, sisters, brother, and her former husband.

A celebration of Lorri's life will be held later this fall in North Carolina. Lorri will be deeply missed and forever remembered by her family, friends, and all those whose lives she touched.

Relax….Curiosity….Be a Tourist….Good Cooks

Rich McFadden

Long ago our social circle was smaller. A villager might interact with 20 people a day - and be related to most of them. But in the modern world, we see hundreds of faces and messages in a single day. Best we be reminded that our smallest social circle is the one that matters the most.

When good things happen, share them selectively. Not everything needs an audience. Certain people could react with envy or disparage your happiness. True friends will gather in your glory.

Question? Is it better to chance a new experience, or do what you have always done? New experiences will broaden your horizons. They may bring uncertainty, but go forward and open the door to a new opportunity. There's no escape with too many closed doors!

When you put the time in, things will get done; otherwise you will continue to struggle to finish. Adherence to a timely schedule will always lead to success.

Be a tourist again. Invite someone new to your scene. Try to see things from their point of view. Sometimes you become blind to other possibilities. Take a fresh look and make new friends.

You can't help everyone. Save your energy for those who need (and welcome) your help. Those who have asked for your help will be the most grateful.

Curiosity may have killed the cat, but without it the caveman would not have had his "fireplace," and Edison would not have seen "the light." Curiosity begins with questions and ends with communication. If you act on your curiosity, you won't have to lie down "cold, and in the dark."

As every good cook knows, altering a single ingredient of a recipe can change the whole dish. Likewise, one individual can significantly alter a group's social dynamics. The invite list will make or break the party.

Relax - if you already did the work, then you have earned a moment of comfort. You can let down your guard and trust the process. Putting in the work begets the desired result.

Wanting to be respected is always mutual in a relationship. And it doesn't take away your independence or make you less self-sufficient. It just means you have created more connections, and earned more respect.

Organization supports confidence. You know where things are and what needs to happen next. If you have certainty with time and space, you can decide what belongs where and when.

Emotional people tend to say things they don't mean or ask questions they should not ask. Your response should be to step back - give space - let tempers settle - before reengaging. Thus you are in control.

Celebrating Two Years of the SALT Shower Trailer Ministry!

Kelly Veilleux, Salt Outreach

November 10 marks two years of the SALT shower trailer serving individuals experiencing homelessness here in our part of Lake County! We are incredibly grateful for the ongoing support of so many LST residents who help make this ministry possible.

By the end of 2026, we will have provided nearly **4,300 showers** to people experiencing homelessness. What a blessing to be able to offer this simple but important service to our neighbors in need!

According to recent figures from the Mid Florida Homeless Coalition, 772 individuals in Lake County were reported as experiencing homelessness in August. This included 482 households, with 41 experiencing homelessness for the first time.

As affordable housing becomes increasingly difficult to find, these numbers are likely to continue rising. Sadly, a significant and growing concern is the number of people over the age of 60 who are experiencing homelessness.

We often meet seniors who are living out of their cars and come to us for a shower and a Hot meal. It is heartbreaking to see older adults—people much like us—without a safe place to sleep at night. Their circumstances remind us not to take for granted the many blessings we have.

Thank you to everyone who has supported the SALT shower trailer ministry over these past two years. Your generosity and encouragement are making a real difference in the lives of our neighbors.

Would you like to learn more about how you can help support this ministry? Please give me a call…207-314-7546

Remodeled Library

Karen Keenan

The inviting library, with an open view and access to the deck, offers many books, games, dvds, cds, audiobook cds and playing cards for all residents to use and borrow. No signing out is required. There is no limit on the length of time they may be borrowed. When borrowed materials are returned, they should be placed on the shelves outside of the library marked returns **not** placed back on the library shelves. Donations of materials should be placed on the shelves outside of the library door marked as such.

Several new games have been purchased and are waiting on the shelves to be used along with donated games: Scrabble, Chinese Checkers, Mah Jongg, Mexican Train, Phase Ten, playing cards and others are among the choices. Several jigsaw puzzles are available.

Stop in and add pieces to the puzzle displayed on the table outside of the library. Currently there is a fall themed puzzle just waiting to have many pumpkins put together. The card tabletop can be flipped for use as a poker table. Poker chips are available. USE IT & ENJOY!

This **SALT trailer** has mobile Showers and Restrooms;
