LAKESIDE TERRACE UPDATES

Helen Bobbitt 9/15/23

[Former park manager Helen Bobbitt has asked HOA President Randy Ellis to pass on some notes regarding infrastructure and other topics.]

Library - I have no updates on this project. I have signed off on everything. But as far as I was able to determine from Tom [E.L.S. Regional Manager] yesterday, he is waiting for an update from asset management as to a timetable.

Maintenance Shed and Clubhouse - I spoke with the contractor last week. He is still waiting for engineering to finish the sign off on the project; then he will pull the permit. The material has already been ordered. There will be no delays once the sign off has occurred. It will only take approximately two days to get the permit. I was able to speak to the vendor today. He told me that the drawings had to go back to the engineer because they were not done to commercial standards. They should be completed by Tuesday. If so, he will have the permit by next Friday. We are still on for the construction to begin in early October. The process will not take more than a month to complete.

Cap X Projects - I had requested five projects for 2024 as capex projects. One has been approved for 2024 - that is the pool and hot tub resurfacing. All other projects were pushed to 2025. I have re-requested that the shuffleboard court be brought back into 2024 and I do not have that approval as of today. The shrubbery for the front, the new sign for the community, and the expansion for the pool deck will be 2025 projects.

Home Sales - We are getting a lot of traffic and inquiries about our home sales. This is the first point of contact for prospects. That is why we wanted the opportunity to do the brokered sales.

Thank you to everyone for the support given to me this past year. It has been a pleasure getting to know all of you and being allowed into your family.

Heater and Air Conditioning Emergency Unit

Lakeside Terrace Residents,

The Social Club and HOA boards have joined together to purchase a portable heating - A/C unit to be used if yours fails. Carol Roberts initiated this process when a neighbor's A/C went out. Luckily, they were loaned a window unit to tide them over. The two boards brainstormed and came up with this plan.

This portable unit weighs about 70 lbs. and is on wheels. It's stored at Carol Hetherington's. We have a team of people who are familiar with the unit and can assist in setting it up if you need help. It really is pretty easy to set up. This will give you a little cushion while you get repairs. After only about 6 weeks the unit has already been used 3 times - and those folks are happy!

Here's a copy of the consent form to sign when you take it:

Consent for Use and Liability

The Lakeside Terrace Social Club and HOA boards are loaning you an air conditioning and heating unit for use in your home. The loan is taking place due to the malfunction of your central system. It is only a stopgap measure while permanent repairs are completed. This is expected to be a short-term loan.

You are expected to return the unit in good working order, and to care for it properly while it's in your possession. You need to show a representative of either of these organizations that the unit is working properly before disconnecting and returning it. By receiving this equipment, you accept full responsibility for it, and for its use.

Manager's Corner

Helen Bobbitt 9/8/23

RESIDENTS OF LAKESIDE
TERRACE:

I wanted to let everyone know that I have submitted my resignation as the Manager of Lakeside Terrace effective immediately. This was not an easy decision for me to make but one that was the best for me and my family.

I have accepted a position in Fort Myers and will start there on Sept. 18, 2023. I did not seek out this change, but when I was approached with this opportunity, I could not turn it down. I truly believe that everything happens for a reason.

I have enjoyed being here in the community and hope that I, in some small way, have made some changes that will carry on in my absence.

I truly will miss everyone here. Goodbyes are very hard. So I will just say, "Until we meet again, take care of each other and as I have as my motto, 'Be the reason someone smiles everyday'."

God Bless.

Lakeside Terrace HOA

Randy Ellis, HOA President

We look forward to seeing our Winter Residents returning.

The HOA board is happy to announce that our Negotiations Committee has a 3rd member. We still need volunteers for our Nominations Committee and our Bylaws & Rules Committee. All committees should have from 3 to 5 members.

1st Vice President Carol Hetherington and I meet with the Manager regularly to discuss concerns about our community and how the Park can be improved. E.L.S. announced its plans for the Clubhouse renovation. We have a tentative date of Oct. 1 for the completion of our new shed, which will be installed in the storage compound. Helen has submitted resurfacing projects for the Pool, Hot Tub, and Shuffleboard Court. The Park has replaced and improved Fire Extinguishers for all the Boat Slips.

I complained to FGUA (Water and Sewer.) about not communicating with us regarding boil-water notices. They do not put door notices out anymore and have initiated a Robocall system. More than half of our residents were not receiving these Robocalls. I told Management. They worked to bring everyone's information up to date and also started their own Robocall system.

There are Resident Information Forms at the Clubhouse for anyone who needs to update the HOA with their personal information. The HOA also has a locked box at the Clubhouse for comments or suggestions.

On a sad note, Park Manager Helen Bobbitt submitted her resignation as Manager of Lakeside Terrace. Helen always had a smile for everyone and made some great accomplishments in her short time here. She was a pleasure to work with. It's truly going to be hard to find another Helen.

Thank You, Helen, and Best of Luck in your new endeavor.

Feel free to contact me anytime.

Social Club Finances

Ron Grove, Social Club Treasurer

At our last meeting in April I reviewed how our finances for the club work. I'm doing it again here in more detail, so all our residents know what we do with our money. I hope more residents will join us.

Dues:

\$12 per person per year. We want you to check in at each meeting so we can establish a quorum. The roster has your dues payment date; you can check there to see if it is time to renew.

Website:

Lakesideterrace.net is our website. Rich Aniol is our web master. There is a ton of information and history there - bylaws (HOA and Social Club), Sea Gulls, event calendar, and pictures.

Tag Sale - Fund Raiser:

This has been our major income producer over the past few years. It is held in February. Residents used to rent tables in the Clubhouse to sell their goods. The club sold baked goods, lunch, and basket raffles. Then COVID hit. This year we had a bake sale and community yard sales. There will be a lot of discussion on how to proceed for 2024.

Dinners:

Thanksgiving, Christmas, and Easter.

These are a joint effort with ELS. They contribute \$400 and the club adds \$400. The \$800 is available to the meal chairperson when they buy food. We have a Sam's premium membership for early access to Sam's. The menu is up to the chairperson, but it must come in under \$800. We suggest a donation of \$5 from each non-resident guest. We post signup sheets to have an idea of how many will attend. Please sign up so we know how much food we need to prepare.

Summer fun:

Memorial Day, July 4th, and Labor Day.

These are informal meals with the Social Club supplying meat and a little extra. Attendees bringing sides and desserts. The Social Club cost for these meals is under \$200 each.

Misc:

Clubhouse Christmas decorating and golfcart and boat parades. Sally Cannon Toy collection, food bank collections, and concerts. Electronic games.

New Year's Eve

Valentine's Day

Veteran's Breakfast

Before COVID we had some professional entertainers and self-produced "Really Big Shows" (resident entertainers). We are open to suggestions.

Sunshine Committee:

This committee welcomes new residents and helps them to get acquainted with our activities. When a resident passes away, we give their next of kin \$50.

Our club has a history of looking out for our wonderful residents.

The Seagull:

We publish a monthly newsletter from October through April. This year we are switching to a company, Community Media, who will publish it. We will supply the content and they will sell ads to cover the preparation cost. We will try this for a year and look forward to your feedback. Most years, we also publish a resident Phone Directory.

Bingo:

The club holds a weekly Bingo game on Monday evenings. This is not a fundraiser for the club – by Florida law. We do keep enough to cover the cost of materials to run the game. Most of the money involved goes to the players. That "cookie jar" has been pretty big at times. They do collect for coffee and have a 50/50 as a fundraiser for the club.

AED:

In March of 2018, after losing a couple residents, we decided to purchase an Automated External Defibrillator (AED). Within the month donations came in to cover the \$1,400 cost of the AED and it was installed at the Clubhouse.

Help Fund:

In December of 2018 we were made aware that some residents were on the verge of eviction for repairs they could not perform

or afford. After seeing the generosity of our residents for the AED, our then park manager, Linda Nier, offered to provide the food for a spaghetti dinner fundraiser dinner to start a fund to help these folks. The money would be used to purchase materials; residents would volunteer to do the labor. Several projects have been undertaken. It's been rewarding for some people who have been helped to assist when they were able, or to contribute when they could. Contributions have continued. The fund currently has \$1066.91 available. To request help from this fund, please contact the Lakeside Terrace Park Manager; or contact the Administrative Assistant, Hope Clark. All transactions are confidential.

Emergency Fund:

In November of 2022 we were made aware of a few residents who were ill and financially struggling, especially facing the January pass through charge. We decided to start a second fund for financial help. By December just under \$1,400 was donated and presented to 5 families. Contributions have continued for this fund; it has \$1,103 available.

To request emergency financial assistance from this fund, please contact the Lakeside Terrace Park Manager; or contact the Administrative Assistant, Hope Clark. All transactions are confidential.

We have magnificent residents!

To sum this up, this is a great place to live! The members of the Social Club work hard to create fun events to promote friendship and camaraderie among our residents. The club meets the first Tuesday of October through April at 7 PM. If you are not a member, please join and help make it even better.

Better Than Therapy Book Club

Carol Roberts

LST's Better Than Therapy Book Club was inaugurated in 2019. Our group is an amazingly open and friendly group of accomplished neighbors interested in sharing ideas and experiences through reading. We read one book a month and meet to share our thoughts about it while "enjoying accompanying refreshments" (AKA drinking wine or soda and sharing snacks).

Our titles range from literary fiction to nonfiction to mystery, but no judgment if you didn't like or couldn't read/finish the book. We find that everyone has something to share on the topics we uncover to discuss. While we may talk about an author's skill and technique, we prefer to use a book to connect our varied life experiences.

We source our books through the Leesburg Public Library, which offers Book Club Kits of 12 books at a time. Because our group includes 20+ people, we often share books, passing them on to one another as they are read. Each year, we review and vote on possible offerings and reading choices.

Currently, we meet on the 2nd Friday of each month, year-round, in the Clubhouse at 2:00 PM. New members are always welcome! Contact:

Marge will announce a starting date for the Sew Birds soon.

Porches

Jeanne Sullivan

Porches, porches, I love porches.
I have always loved porches.

Most of the places I have ever lived had porches. Both sets of grandparents had homes with porches.

My fraternal grandparents had a house with two porches.

I slept many hot nights on the front porch in a cushioned swing. The night sounds lulled me to sleep while the cool breezes coming thru the open windows were most welcome.

Porches are often the place where family and friends gather to sip iced tea, coffee, or other beverages of their choice.

Sometimes hanging plants are part of the casual décor, adding depth to the season.

While I am writing this, I am dreaming of the screened room which will soon be added as my front porch. When it's done, I hope it will have that front porch look. I hope if you are near on your walk etc. you might find it tempting to visit me on my porch.
