The Sea Gull

Managers Corner

Linda Nier

Yes! I am so excited about this first issue of the Seagull for the winter months. I don't know why but, maybe it's just because I like to get important messages out there to you as soon as possible.

Some of our winter residents have come back to us a little earlier than usual and we are all looking forward to when we have all of our friends and family back home with us.

So! Lets get started!

This summer has been exciting at least for me and Jeff. You may have noticed there are two water fountains in the community now, one at the entrance and one at the Clubhouse. I think they look fabulous and Jeff did a great job making it happen for you. Jeff also installed a divider in the clubhouse to shield the stacked clubhouse chairs in the back of the clubhouse. He has painted, he has worked on getting the shuffleboard courts ready for the winter. He has moved bolder's, planted flowers, and worked for you.

The dance floor in the clubhouse has been stripped and made ready for line dancing, the carpet in the Clubhouse and in the library has been cleaned. The poker table has been completely recovered and re-made. The pool deck has new pavers, the pool spa has been acid washed and the inlay has been replaced. We have added a couple of higher lounge chairs, new umbrellas, additional chairs and much more.

The wii bowling has taken off and movie night is growing with viewers, don't forget to look at the movie library and make suggestions as to what you would like to see. Sewing club has started back up, there is so much going on, it is exciting to watch.

The marina was dredged, a tree fell into the marina and it had to be removed, and of course last but not

least for this issue we have a new trash collection company. Waste Management is no longer a vendor for us and Progressive Waste Solutions has taken over. It is a \$20.00 a month fee for the service with 2 pickups per week. For those of you who will arrive later in the year, you can get the information from Carole Kolbe or from the office and pick up your paperwork in the clubhouse to sign up. It is in the Prospectus that Waste Disposal is part of the expected participation from each resident.

I want to remind you of just some of the issues I have noticed while driving the community. I have seen pets not on there leash, and there poo not being picked up, I have noticed vehicles parked on the grass, I have noticed furniture and items on your driveways, so please take a moment and remember if it is only going to be for a day or so, just notify the office or Jeff so that when we do receive the not so much complaints as it is "Have you Noticed"? That I can address it at that time and not have to come to you. You know I don't like having to come to you. Also, behind your homes, I have noticed mowers, rakes, ladders etc. Please remove them if this pertains to you. It does not look nice and it is against the rules. I wanted to suggest to you the resident, if it is not going to cost you any additional money to ask your lawn care company to please start edging the front of the curb on your property and down the driveway. It would look so nice, so please think about it.

Jeff is working on replacing mulch, we will be shaping the palm trees soon, putting more rock down at the marina and there is more to come.

I know I have been ill and out of the office on some days and leaving early on others, however, I am feeling better and as our winter residents arrive please stop by and say hello!

Homeowners Association

Jean Hatch, President

Hello everyone from the Homeowners Association (HOA). Now that Fall is here and more and more snowbirds are returning every day, the full-timers' solitude is definitely over. We understand

there has been the usual turnover of homes this summer, so we're anxious to meet the newcomers – welcome to Lakeside Terrace. If you are new to our community and are a home owner, you are automatically a member of the HOA – best news – membership is FREE – no Dues.

Our Board of Directors presently consists of five members:

Jean Hatch, President
Rich Bonnie, 1st VP
Bill Hoffert, 2nd VP
Mike Walker, Treasurer
Carole Kolbe, Secretary

HOA Bylaws require that a board member may only serve for three (3) years; therefore, in January 2015 both Jean Hatch and Mike Walker will be leaving the board. The HOA Nominating Committee will soon be in the process of gathering nominations to replace these two (2) board members. If YOU are interested, please contact Barb Stodola, 262-501-1351 Chairperson, Nominating Committee. The term is for three (3) years; anyone who is a home owner is eligible; there are approximately three (3) meetings a year, depending on what business needs to be conducted, and board meetings are normally held monthly during the November – April time period. It's rewarding, enriching, and you get to meet just about everyone in our community.

Please think about becoming an HOA Board Member.

A letter from your editors

So send us photo's, special or non special events, reviews of restaurants, great recipes, book reviews, short stories, special deals. We welcome any suggestion to improve our newsletter. This is your newsletter, what would you like to see included? Just send the info to our e-mail address :

seagull_news@yahoo.com.

We can also use help with getting advertisers, delivering papers, writers, photographers. If you can help see Patty Haimerl (1-614-832-4436) or Barb Stodola (1-262-501-1351). So enjoy the Seagull.

DID YOU KNOW

Here's a terrific way to make your post-dinner clean-up a breeze: Remove cooked on food from pots and pans effortlessly by filling them with water, adding a tea bag, and simmering. The tea's acid will break up the food.

Progressive Waste Solutions

New Trash Pick Up Provider

Linda was notified on Monday (10/6) by Progressive that Waste Management (WM) was no longer providing service to Lake County and Progressive is now servicing Lake County.

Calls were made to Lake County & Waste Management to confirm this.

- WM said that notices were sent out but no one in our park received one
- Residents will receive a refund from WM for any money they were paid for services after their last pick-up.
A meeting was held on Wednesday (10/8) with Progressive Waste Management Solutions. Questions were answered and paperwork handed out for residents to complete.
- You will be able to suspend your service when you go back north with a written notice to Progressive
- Although they prefer quarterly payments you will be able to pay on a monthly basis.

- Unlike WM who picked up everyone whether they paid or not, Progressive will eventually only pick up trash/recycling/yard debris from paying customers.

Remember all residents need to sign up for Trash service, forms are available in the clubhouse. Please direct all questions to:

Saturday Night at the Movies

Phil Banfill

Movie Night has been a big success during the summer months so we plan to continue running it throughout the year. Unless we have another event planned, each Saturday will be Movie Night.

There is a "Movie Board" located in the clubhouse with possible viewings as well as video libraries that we have available to us. We also have used Redbox for renting newer releases. Netflix has been suggested but that is something the Social Club would have to decide upon (it would certainly open up our choices).

Start time is 6:45 pm - a cartoon or a serial lasting 15-20 minutes with the main feature afterwards. Bring a comfortable chair as well as your own refreshments - ELS has supplied popcorn and the micro-waves are waiting for you to pop away.

Feedback is welcome and suggested (positive preferred) by using the Lakeside Terrace page on Facebook or you can contact me by mail at philmill30@gmail.com. See you at the movies.

Wii Bowling

Phil Banfill

Wii Bowling is on Monday if you would like to participate. We have two time slots at the present time - Noon & 1:30. Each time slot can hold up to 16 bowlers. At the present time, we need bowlers to fill out the Noon time slot (1:30 slot is full). If necessary, we will open an additional slot at 10:30 am.

Bowling is simple and easy, you can even sit while you bowl (which several of us do), so come and join us - only takes about an hour of your time. But let me know ASAP if you plan to join us, that way I can get you familiarized with the Wii controller as well as get your character installed on all of our Wii machines.

Did I mention, this is FREE BOWLING! Look forward to seeing you on the lanes and with our group - contact Phil at philmill30@gmail.com.

League Bowling

Kathy Walden

Our league is finally back to almost full. We are still waiting for one more bowler to return. We will still be down 2 bowlers plus a whole team however. If you are interested please contact Kathy Walden at (352)728-8607.

Rich Aniol had a 199 game (59 pins over) for a 493 series (73 pins over); Doug Rice a 204 game (+48) for a great 583 series (+115); Dave Smales a 220 game (+46) for a 554 series (+32); Doug Puvogel a 192 game (+42) for a 519 series (+69); Richard Anderson a 212 game (+38) for a 532 series; and Mike Schmelzer had a nice series of 319 which was 58 pins over his average. Great bowling!!! Kathy Walden had a 204 game (+53) for a 528 series (+75); Peg Aniol a 176 game (+41) for a 469 series (+64); Shirley Schmelzer a 150 game (+33) for a 432 series (+81); and Trish Kedrowski had a 397 series (+55).

Bowling scores are coming up. Whatever we bowl a good time is had by all. Of course going out to eat afterwards has nothing to do with it

Trivia Answer: Founded by Benjamin Franklin and Thomas Bond, Pennsylvania Hospital was the first hospital in the United States. It is also home to the first surgical amphitheater and first medical library in America. Pennsylvania Hospital was originally conceived as an institution "to care for the sick-poor and insane who were wandering the streets of Philadelphia." Speaking about the hospital's origins, Franklin stated, "I do not remember any of my political maneuvers, the success of which gave me at the time more pleasure..."
